The Brownsville Library Association has made arrangements to open the library as soon as the books can be received and properly catalogued. Arrangements have been made to order several hundred books, which will include many of the late popular novels, besides other standard works. It has been decided to sell memberships in the library at \$2.00 per year, which will entitle members to read at least fifty-two good books during the year. Membership tickets will be printed at once, and placed on sale, and it is hoped that all who are interested in the library will lose no time in buying tickets. A nice idea would be to present library tickets as Christmas gifts.

It is learned from Andrew Johnson of Mercedes that Doctor F. Grosshauser of Lodi, Cal. who was here several days ago, has bought 240 acres near Mercedes, and will establish a vineyard there. Dr. Grosshauser and wife left Mercedes today for California to make arrangements for removing to Texas, and will return in about two months. The doctor will plant sixty acres of his land in grapes this winter.

A number of the young ladies have undertaken to give a leap year dance at some date early in the new year, in which they will be assisted by their married friends. A meeting was held yesterday afternoon at the opera house, at which preliminary arrangements were made, and committees appointed. The exact date is not yet decided upon.

## SUPERFLUOUS HAIR IS NOW CURABLE.

Madam Are you afflicted with this disease? Then you certainly have not used M-A-J-I.

Dr. Alexander Grossman, the eminent Hair and Scalp Specialist, has, after 15 years of research and experimenting, discovered an ABSOLUTE remedy for this unsightly disfigurement.

## GUARANTEED

To destroy the coarsest growth or your money refunded.

## GUARANTEED

To be absolutely non-injurious to the most delicate skin.

The above is not the result of magic, but of this wonderful discovery named MAJI. This photograph is but ONE of the thousands of cases MAJI has cured. MAJI is endorsed and recommended by the most reputable physicians as the only remedy for PERMANENT removal and destruction of superfluous hair.

MAJI Acts Quickly and Permanently.

The action of this WONDERFUL compound commences immediately on its application to the parts afflicted. MAJI does not burn the hair, thus making it return more coarse and bristly than ever. MAJI goes to the root of the evil—it destroys the CAUSE of the growth. It destroys the factors favorable to its growth. MAJI cures by destroying the productive conditions that cause this disease. If you want to be CURED, if you want to dispense with the razor, if you want to discard the heavy veil you are compelled to wear to conceal this humiliating, unsightly blemish, get a bottle of MAJI now—at once. If your druggist does not keep it send \$1.00 to us direct, and we will mail it to you, postage prepaid, in plain wrapper.
